

Adult Day Care
Revised FY 2016-2017

Dear Participant or Guardian/Caretaker:

The CACFP offers meal reimbursements to adult day care facilities which provide structured comprehensive services to nonresidential adults who are functionally impaired, or aged 60 or older. By completing the attached income application, the centers will be able to receive reimbursement, which is based on the number of enrolled participants that are eligible for free or reduced price meals.

Please help the center comply with the requirements of the CACFP by completing, signing and returning the attached form as soon as possible. This information is necessary so that we may receive CACFP reimbursement for the meals served to your participants in our program. The completed form will be placed in our files and treated as confidential information. All participants in our program receive their meals free of charge, but the determination of eligibility category affects the amount of federal funding received by the center.
